POSITIVE ACHIEVEMENTS OF BEVERAGE INDUSTRY IN VIETNAM

Vietnam's beverage industry recorded positive achievements after the whole country overcame the Covid-19 pandemic. From research conducted by VIRAC, the demand for beverages increases due to opening doors, Vietnam is a prominent tourist destination in the eyes of international friends. In addition, competitive prices help expand export routes for "made-in-Vietnam" beverage products to densely populated markets such as the United States and China.

SOFT DRINK MARKET

ALCOHOL PRODUCT MARKET

- **Beer:** Consumption reached about 1 billion liters with canned beer accounting for 65% (in the first three months of 2022)
- **Wine:** the wine production situation in Q1/2022 increased by 2.3% compared to the same period in 2021

The United States is Vietnam's largest export market with an estimated turnover of \$46.7 billion. China is Vietnam's largest import market with an estimated turnover of US\$49.6 billion.

VIETNAM ranked **THIRD** in Asia (in terms of beer Consumption)

DRINK TECH

A DEDICATED DRINK TECHNOLOGY SHOWCASE

For the first time, Informa Markets Vietnam launches the specific showcasing zone for all of technologies, equipment and solutions serving for beverage industry out as a concurrent event of ProPak Vietnam 2024. With the long-lasting history of serving Vietnam's processing and packaging industry more than 16 years, Drink Tech plays as a vital business platform to connect global suppliers with local beverage buyers not only in Vietnam but also in surrounding countries. Not only a showcase zone, Drink Tech also provides business matching activity, product demonstration, beer tasting corner, etc. Especially, attendees can also contribute to the community by donating to local charity foundation. All of the activities are designed to provide the full from-factory-to-table experience in one place. We are honored to have the support from **Vietnam Beer – Alcohol – Beverage Association (VBA)** to jointly collaborate organizing this event and the alongside conference programme during event time from **3 – 5 April 2024** at Saigon Exhibition & Convention Center (SECC), District 7, Ho Chi Minh City, Vietnam.
